**CURSO DE INGLÊS JURÍDICO - CIVIL PROCEDURE - CRIMINAL
LAW**

AN ADVANCED COURSE

Besides the main features of Criminal Law, Criminal and Civil Procedure, we have brought together the important topics of Pre-Action, Disclosure, Compliance (UK Bribery Act), interpretation, and others.

The aim of this Course is to prepare the students to become researchers and better professionals, with better English and able to talk and read about the subjects mentioned in this Table of Contents.

This Course is particularly special for Civil Servants, Law Professors, Judges, Prosecutors, and other members of the Judiciary.

In the Next page, the table of contents of the Course:
